

# DAMAGED STRUCTURES IN ORMOC CITY, LEYTE, PHILIPPINES

Analysis with World View 02 Data Acquired 13 November 2013 and 5 April 2013

Production Date:  
19/11/2013  
Version 2.0  
Glide Number:  
TC20131108PHL

This map illustrates satellite-detected areas of destroyed structures and possible damaged structures in Ormoc City, Leyte, Philippines. This analysis represents satellite detected damaged shelters from WorldView 2 data acquired 13 November 2013. Due to the resolution of the imagery and cloud coverage this damage analysis is an estimate of damaged structures and does not reflect the actual total of damaged structures in Ormoc City. This is a preliminary analysis & has not yet been validated in the field. Please send ground feedback to UNITAR / UNOSAT.
